Introduction

Welcome to the Chambersburg YMCA's Before and After School Fun Club Program (BASFC). The YMCA's Fun Club program has been meeting the community's need for over forty years. This program is licensed by the State of Pennsylvania through the Department of Human Services. Therefore, the YMCA must adhere to their strict guidelines. The registration packet contains all the required forms to register your child. These forms **MUST** be completed in their entirety and returned to the YMCA before your child may participate in the program. Please be sure to read through this manual carefully.

Areas of Focus

The mission of the Chambersburg YMCA's Before and After School Fun Club is to serve children and their families by maintaining educational, recreational, and socially enriching activities and experiences during the non-school hours.

Youth Development: Nurturing the potential of every child and teen. To ensure youth realize their potential to become active, engaged, and thriving members of the community, the Y will nurture their social-emotional, cognitive, and physical development through holistic youth programming, experiences, and support.

Healthy Living: Improving the nation's health & well-being. To improve lifestyle health and health outcomes in the US, the Y will help lead the transformation of health and health care from a system largely focused on treatment of illnesses to a collaborative community approach that elevates well-being, prevention, and health maintenance.

Social Responsibility: Giving back and providing support to our neighbors. To foster social connectedness, strengthen support networks, and encourage investment in our communities, the Y will activate resources and engage people from diverse populations for individual and collective action.

Program Philosophy and Objectives

Through socialization and cooperative games, the children develop positive social skills, as well as challenging themselves as individuals. The YMCA believes that all children should have a safe and nurturing environment; a place where they are exposed to and participate in experiences that will positively affect their development (physical, social, emotional, and intellectual), their self-concept and quality of life. Additionally, we believe that a quality program should seek to complement and support the family, the school, and the community. Active involvement and positive relations with these three entities serve to enhance the program and ultimately benefit the children. We have time allotted daily for homework and assistance is available if needed. Each day, the children also have time to take a much-needed break and have a snack. The YMCA's Fun Club Program incorporates the National YMCA's "Character Counts" values into its daily routine. These values focus on the core values of Respect, Caring, Honesty, and Responsibility. Through a variety of activities, children will experience a caring environment that provides spiritual, mental, social, and physical education.

Hours of Operation

The YMCA's Before and After School Fun Club Program offers two time periods of operation. The morning club begins at 6:00 a.m., and concludes with the children reporting to their classrooms by 8:45 a.m. The afternoon club begins after the school day ends, and officially closes at 6:00 p.m. **Your child should be dropped off and picked up at the**

Reporting of Suspected Child Abuse

Pennsylvania law "Child Protective Services law" (23PA C.S.A. Section 6301 ET. Persons who report, in good faith, suspected child abuse are immune from civil or criminal liability that might otherwise result by reason of those actions. The YMCA's BASFC Staff **MUST** report any suspected child abuse or neglect of any participant in the YMCA's Before and After School Fun Club Program to the appropriate State Agency and authorities.

Field Trips and In House Guests

The After School Fun Clubs may take field trips throughout the school year. All field trips will occur during the scheduled program time, and parents/guardians will be notified in advance of any field trip. Any parent/guardian is welcome to chaperone any field trip. The ASFC programs may also have approved visitors (i.e. Girl Scouts, guest readers, etc.) during the course of the school year.

Personal Belongings

All participants are responsible for their own belongings. Any items that are found will be placed in the Lost and Found Box. CASD and the YMCA BASFC Program are **NOT** responsible for lost or stolen items.

Electronics Policy

The following policy describes the rules and regulations of using personal electronics during the YMCA program.

- A. The YMCA staff reserve the right to terminate any child's electronic session if he/she visits websites with inappropriate content or misuses an electronic device.
 - a. Inappropriate content includes, but is not limited to, sexually explicit sites, drugs or drug paraphernalia, foul language, or violence.
 - b. The first violation of this policy will result in immediate loss of electronic privileges for that day. A second violation will result in a month ban from use of the electronics at the YMCA BASFC Program. In order to regain permission to use electronics during the YMCA BASFC Program after a second violation, the student must write a letter explaining that they understand the YMCA's policies and sign another agreement form. A third violation results in a permanent ban from use of all electronics during YMCA programming. Serious offenses may result in a stronger consequence without going through the steps outlined above.
