### YMCA GUARDED DISMISSAL POLICY

All children enrolled in any Chambersburg YMCA program utilizing bus transportation will be released after their class under our Guarded Dismissal Policy.

Children will not be permitted to leave the building where their class is being held without their instructor seeing them directly into the care of their parents or designated guardian. Children will not be permitted to wait in parking lots or leave with friends (without prior written permission). A direct change of care and responsibility for the child must take place between the Y instructor and the parent/guardian. This applies to all children under age 15.

This policy is being initiated and enforced out of concern for the safety and well being of all children who attend classes and programs at the Chambersburg YMCA. Guarded dismissals will be handled this way:

1. All registration forms will require a minimum of two parent/guardian approved adults for pick-up at the conclusion of the YMCA program in which any child may be registered.
2. All registration forms will require an emergency contact information section completed.
3. All registration forms will request a cell phone number and e-mail address from each parent.
4. No child will be released from the YMCA program without an approved signature on the daily sign-out sheet.
5. Staff will stay until all youth have been signed out to their approved guardian.
6. Parents must comply with the scheduled program pick-up time or be subject to late fee charges or dismissal from the program with no refunding of fees.

**Please Note:** If you need someone else to pick up your child, please send a note verifying so, in advance, or personally stop in and tell the instructor. Also, if there is an individual who is not permitted to pick up your child, such as a non-custodial parent, please make the instructor aware of this restriction.
