BABYSITTING and CHILDWATCH BROCHURE

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Revised 5/14

Welcome to the Chambersburg YMCA's Babysitting and Child Watch Centers

To help us better serve you, please take a few minutes to look over our brochure to familiarize yourself with our policies and procedures.

Our staff are here to make your child's stay safe and enjoyable. If at any time you have any questions or concerns, please talk to one of our staff, or call our Membership Director.

Babysitting is available for infants ages two months through kindergarten for YMCA members and non-members.

Children from kindergarten

through 5th grades can be dropped off in our Child Watch area. Here they will be able to use age-appropriate equipment to work out on, or enjoy some time in the gym playing games with our staff.

Parents must remain in the YMCA or be in a class at the YMCA Program center for children to be in the centers. Due to liability reasons, parents sign their children in and out of the program. Please fill out a Babysitting or Child Watch Card for your children when you drop them off. Filling out this form is mandatory and for the protection of your child.

If you are paged to the babysitting or child watch area, please respond as quickly as possible.

If your child is ill, we ask that you not bring them in until they are symptom free for 24 hours due to the close proximity of play.

For safety reasons, please have your child in the proper footwear (no open toed shoes).

Please take children to the bathroom before they get to Child Watch. This will prevent interruptions in games with our staff and other children.

Please label your child's belongings.

Some children have difficulty adjusting to a new environment. We will do everything possible to help your child feel comfortable, however if your child is feeling distressed after 15 minutes, a staff member will try to locate you.

At times children can get rambunctious and accidents may occur. If your child gets injured, we will inform you when you pick them up. If it is a major injury, you will be paged and contacted immediately.

If discipline is an issue, it is our policy to use an age appropriate time-out. If discipline was needed for your child, we will discuss it with you when you pick them up.

If possible, try to come to our babysitting and child watch areas on a regular basis to keep us as part of their routine. The more familiar your child is with the Y, the easier it will be for them to be comfortable and make new friends.
