Winter 2021 Swim Lessons

Due to Covid-19, the following changes have been applied to our Swim Lessons:

- Lessons will be instructed from the deck
- Parent/Guardian must accompany child in the water for Levels A, B, PL1-2, PL3-4, YL1-2, YL3
- YL4-6 swimmers must be able to be in the water on their own
- Classes have limited numbers due to sharing pool space for swim team, lap swimming, and having parents in the water, so several levels are combined
- No spectators are permitted in the pool area during lessons

Thanks for your cooperation as we reopen all of our swim lesson levels, while adhering to Covid -19 recommendations.
